RESTORATION & RE-PAINTING

Having specialised in renovations and restoration in Australia for many years, Profile Painting has a soft spot for this particular part of the trade. Working on Colonial period homes, with thorough preparation and time taken to bring back life to some wonderful gems, is always welcomed. We are confident re-painting at every level of decorating, from a simple tidy-up all the way to Level 5 finishes and full house restoration.

INSURANCE REPAIRS

We are very familiar working with insurance repairs as we worked closely with ECQ in Christchurch after the tragic earthquakes. We know exactly what to expect and what the requirements and processes are. Profile Painting has a long list of satisfied clients and Profile Painting are proud to be part of the process in helping give back the homes to those who have endured hardship.

LEVEL 5 AND SPECIAL FINISHES

Profile Painting have systems in place for those jobs which attract and demand, a Level 5, flawless finish. The attention to detail and a methodical procedure allows us to satisfy the most challenging specifications and critical eye. We have a range of special finishes and effects that can be used as features or focal points for your home. We will work with you all the way, offering out professional services to give you that 'cut above the rest' feeling.

LIGHT COMMERCIAL

Profile Painting is capable of any light commercial jobs, such as shop fit-outs, restaurant kitchens, offices, warehouses, and much more. We follow all Work and Safety Standard regulations where required. We are happy to work in with your business hours as we can work after hours at night and weekends, where required.

ROOFS AND FENCES

Naturally every house has a roof and possibly a fence! Profile Painting can help you with these. While we don't build fences or roofs, we certainly know how to revamp them for you. Make a statement about your home! Profile Painting, uses an airless spray unit where we can achieve a smooth uniform finish, ensuring great even coverage. It brings life back into your old faded roof or mouldy fence.

As part of our service we can provide water blasting, cleaning, treating and priming, undercoat systems and superior exterior finishing products.

WATER BLASTING AND HOUSE CLEANING

We clean fences and roofs as part of our standard system, but we can also offer additional water-blasting services separately. This could be for your roof, guttering, fences, drive-ways, decks and even the tired old garden shed. We also offer total exterior house cleaning, using all natural products, bringing a fresh look to your home.

TIMBER WORK

Having a fondness for timber and its special characteristics for a long time and love working with it. Profile Painting specialises in cleaning, restoring and treating all kinds of timber surfaces.

We have a 'hands on approach' right from the sanding through to finish, whether it be staining, oiling, french washing or planitonia, it is done with careful precision.

SPRAY PAINTING

Profile Painting have extensive experience in spray painting all surfaces and will advise on the best paint and process for each individual client.

Spray painting is great for a lot of different surfaces, such as plastic, metal, even glass, for flawless uniform finishes. Spray painting helps us get to tricky areas, sometimes missed by the standard hand paint brush techniques!
